

## BLEUET NORDIC INFUSED / DRIED WILD BLUEBERRIES

<b>PRODUCT DESCRIPTION</b>	Bleuet Nordic Infused / Dried Wild Blueberries are grown without any pesticides or fungicides whatsoever. They are harvested on our own land in Northern Quebec. After harvesting and processing, only our premium quality Wild Blueberries are selected for drying at our factory. Our state-of-the-art facility, together with our usage of renewable energy, help to keep our environmental footprint to a minimum.
<b>PROCESS</b>	Our special drying process results in premium Infused / Dried Wild Blueberries, with excellent color, great taste, and which have maintained as much of their natural vitamin content as possible. These attributes, along with Wild Blueberries' natural antioxidant health qualities, result in a premium dried fruit which has great flavor and is good for you! Our production facilities are subjected to a strict policy of quality, hygiene and food safety.
<b>INGREDIENTS</b>	Wild Blueberry, sugar, sunflower oil (< 1%)
